Clawz SG returns to **Inner Symphony** with another unforgettable EP titled **“Whispering”**. A true craftsman, he delivers above and beyond on this wonderful four track odyssey through the world of subtle emotions and profound feelings.

Opening this EP is **“Whispering”**. Soft beats sets the motion while airy sounds evoke sensations of blissful ambiance; reviving in dreamy melodies.

“New moon” shows a slightly different character. Deep and alluring, it has its edge. Organic cascades of synths, sensual bass line - all create a sense of a new cycle.

Progressive rhythm sets the mood, just as coy melodies of **“Weathering Storm”** start evoking the deepest of feelings; creating the atmosphere of nostalgia and soulful euphoria.

“Incandescent”, the fourth and the last track in this EP, unobtrusively seduces with a mysterious baseline, emotive chords and a hint of a gentle piano and wandering synths.

“Whispering” EP is a skilfully assembled collection of heart-warming pieces, which radiates uplifting and nostalgic energy. This is a real treat for Deep House and Melodic techno lovers.
