Title: I've Seen You Around feat Myriad
Label: Steyoyoke
Format: Digital
Release Date: April 7th, 2015
Artwork: Hyndira Borba

Cat No: SYK032

Steyoyoke Recordings have streamlined their next release, putting forth a single from **Aki Bergen** titled “**I’ve Seen You Around**” and it’s quality not quantity that prevails here. Gushing with raw conviction and lasting impressions, the impact of this track is effectually imminent.

Lingering between a passionate sermon and a heart felt lullaby, “**I’ve Seen You Around**” is adorned with the husky lyrics of vocalist **Myriad**. The intro is structured with orchestral eccentricities and a tranquil composure, which is a prelude for something more profound, as its underlying power kicks in shortly after. This is courtesy of its attacking bass line, fiery synths, and fluctuating intensity, that echoes the tracks true sincerity.

Following on from this single will be a remix EP, including a dub version of “**I’ve Seen You Around**” and in the coming months an entire album from **Aki** will be released.

TRACKLIST

01. Aki Bergen - I’ve Seen You Around feat. Myriad (Original Mix)
