Steyoyoke continues to exceed expectations with immeasurable momentum. In the newest EP, **Aaryon** brings magical sounds with his next release with the Berlin based record label. Featuring one single with two remixes and a second original single production, this EP continues the evolving **Steyoyoke** legacy of quality music.

‘**Hex**’ impresses upon you a spellbinding journey with luring bass lines and strings guiding you to delve deeper into **Aaryon**’s story. Decisive and firm, the track sets the mood for the EP compelling dark magic through his musical composition.

Soul Button’s remix seduces you into a curse creating an atmosphere of natural curiosity satisfying the taste for the unknown. The wicked experience is carefully created through resolute synths, chord progressions and wandering melodies.

Ushering a dark charm is the **Jos & Eli** remix enthralling you through layers of magic and wonder. The connotations of deepness mesmerize you, jinxed in a creature like state through precise synths and pronounced beats.

Aaryon’s last track ‘**Enchantment**’ entrances you into great pleasure like a mind-affecting spell. The underlaying rhythmic percussions influence and control the track harmonizing the melodic layers to delight deep house lovers.
