Release Date: August 8th, 2016

Cat No: SYYKAS008

“When we say "Ethereal Techno", the first thing that comes in mind is the distinctive sound of Steyoyoke. As a member of this family label, I feel really happy and honoured to present to you my Authentic Steyoyoke compilation. This compilation contains 9 tracks that I really love from the back catalogue of the label, plus my new track Pallas with the amazing ethereal vocals of Miroir. Hope you enjoy.”

Nick Devon
