**Inner Symphony** returns with another mind blowing EP, titled “**Ojas**”. The EP includes the original track by **Soul Button** as well as five exquisite remixes from master producers **BLANCAh**, **Clawz SG**, **Subconscious**, **James Marley** and a debut Inner Symphony appearance by **Simon Doty**.

In the profoundly enticing original mix “**Ojas**”, **Soul Button** artfully pushes the emotions up towards climactic heights. Here, clear synths run light and deep, balancing the soul and opening pathways to complete serenity.

First to reinvent the original is **Clawz SG**. Adding playfulness and dynamics to the rhythm, a progressive reinvention with his signature mastery is undeniable. Meanwhile, **BLANCAh** keeps her take on “Ojas” subtle and mysterious with a driving pace, enhanced melodies and illusive soft beats. Fourth in place is Toronto based producer, **Simon Doty**, making his debut appearance on Inner Symphony with a full on reconstruction of the original track. Minimalistic with progressive low synths, this piece is intriguingly groovy. **Subconscious** puts an atmospheric twist on “Ojas”, delivering a sensual, tenderly beckoning masterpiece to indulge in. Last but not the least, it’s **James Marley**. This remix is a celebration of youthful energy bursting with vibrant colors.

Step into the world of “**Ojas**”, indulge your senses and tease your mind. With six fresh tracks from sensational producers, this EP is a must have.
