Third instalment of **Back To Black series, Vol. 03**, is out now in digital version on Steyoyoke Black. **Nick Devon, Clawz SG, Soul Button, Darko Milosevic** and **Never Lost** combined their talents to create a very special concept album designed to take the listener on a journey of evolution. The three-tracks EP is an energetic package of ethereal yet driving techno tunes, aimed at the club. Stay tuned for more releases from this ongoing project. **Back To Black** will continue to unleash more poignant techno vibes.
